

OneHeart Movement Change the World Tele-Summit is a global community of like-minded hearts gathering to celebrate OneHeart, One Humanity and One Planet to bring about a planetary shift in the Collective Consciousness through **Focused Intention, Meditation** and the **Power of Prayer**.

Please join like-minded souls from around the planet on Sunday at 1:00 PM PST to connect **Heart to Heart** to the **OneHeart**. Our free online program begins with a OneHeart Address by a special guest, followed by a OneHeart Meditation, connecting Heart to Heart, individually and collectively setting our focused intentions and prayers into motion.

"If you could do just **ONE** thing, **TODAY**, to **Change the World**, what would it be ?"

Join us for the **OneHeart Movement Change the World Tele-Summit** from 1-2 PM PST, and stay on for the **OneHeart Café**, our **Interactive Forum** from 2PM until 8PM PST, so that you may visit, chat, share experiences, network and co-create.

These are exciting and challenging times as we find ourselves at the dawn of an age that humanity has never faced before. We feel a **VIBE** that transcends age, gender, culture, geography. We feel a sense of community, a connection, that we are not alone, that there is **HOPE**, and that together we have the power to co-create a new Sacred Story for the conscious evolution of the planet. Together, **WE can Change the World !!!**

May Love Restore the Balance. OneHeart, One Humanity, One Planet.
